📍 37 Sherwood Road, Glenboig, Coatbridge, ML5 2TF
📅 Born 16th February 2006

MSci Physics with Astrophysics student at the University of Glasgow with strong analytical, mathematical, and programming skills developed through extensive lab work. Four years of experience in high-end retail has strengthened my communication, leadership, and organisational skills in fast-paced environments. Working as a STEM counsellor at a US summer camp enhanced my ability to manage changing circumstances and made me more adaptable. I am keen to apply my analytical and technical skills to data-driven problem-solving in an innovative and challenging role.

EDUCATION

- | | |
|-----------------------|---|
| August 2028 | MSc Physics with Astrophysics, UNIVERSITY OF GLASGOW, Scotland |
| September 2023 | <ul style="list-style-type: none">➤ Third year modules : Astronomy Lab Project, Honours Physics Lab, Mathematical Methods 1, Thermal Physics, Circuits and Systems, Waves and Diffraction, Quantum Mechanics, Electromagnetic Theory 1, High Energy Astrophysics, Stellar Structure and Evolution. GPA : 16.5➤ Second year modules : Physics 2, Astronomy 2, Multivariable calculus, Linear Algebra, Mathematical Methods and Modelling. GPA : 18.4➤ First year modules : Physics 1, Astronomy 1, Mathematics 1. GPA : 16 |
| June 2023 | Coatbridge High School, COATBRIDGE, Scotland |
| August 2017 | <ul style="list-style-type: none">➤ Advanced Higher : Mathematics (A).➤ Higher : English (A), Mathematics (A), Physics (A), Computing Science (A), Business Management (A), History (A), Modern Studies (A), Music (A).➤ National 5 : English (A), Mathematics (A), Physics (A), Computing Science (A), Modern Studies (A), Music (A), Drama (A).➤ Other achievements/qualifications : Young Stem Leader, School Vice Captain, joint Dux winner. |

EXPERIENCE

- | | |
|------------------|---|
| Present | Sales Associate, REISS, Glasgow Royal Exchange |
| July 2022 | <ul style="list-style-type: none">➤ Delivered exceptional customer service in a fast-paced retail environment, building strong customer relationships through extensive product knowledge and tailored customer service.➤ Took on key operational responsibilities including end-of-day banking, store opening and closing procedures, and managing deliveries, demonstrating reliability.➤ Worked in a small team to ensure efficient running of the store, developing strong communication and teamwork skills and contributing to the branch consistently achieving top company performance. |
| Present | Volunteer Marshal, MOTORSPORT UK, Various Locations |
| July 2026 | <ul style="list-style-type: none">➤ Contributed to the safe and efficient operation of large public events by managing participant and spectator movement.➤ Communicated effectively with staff and attendees to provide guidance and support during events.➤ Demonstrated teamwork, reliability, and calm decision-making in fast-paced environments. |

May 2026 September 2025	Level 3 Physics Class Representative, GLASGOW UNIVERSITY SRC, University of Glasgow › Represented the views and concerns of Level 3 Physics students, acting as a liaison between the student cohort and academic staff to communicate feedback and support improvements. › Collaborated with fellow class representatives and university staff to discuss course delivery, student experience, and potential enhancements.
August 2025 June 2025	STEM Camp Counsellor, PINE FOREST CAMP, United States › Planned and delivered engaging STEM activities for children aged 7–16, encouraging curiosity and interest in STEM. › Led and supervised groups of campers, fostering a safe, inclusive, and supportive environment while acting as a positive role model. › Responded effectively to unexpected challenges through strong problem-solving, adaptability, and communication skills, working with children from a wide range of backgrounds.

SKILLS

- › Programming - Python, MATLAB, Excel
- › Problem-solving
- › Communication
- › Organisation
- › Interpersonal skills
- › Public speaking

STRENGTHS

- › Passion
- › Enthusiasm
- › Discipline
- › Performing under pressure
- › Adaptability
- › Resilience

INTERESTS

- › Motorsport – Follow Formula One and developments in vehicle performance, strategy, and engineering.
- › Programming and data analysis – Developing programming skills and computational problem-solving.
- › Gym/Fitness – Demonstrates discipline and commitment.
- › Running – Shows perseverance and goal-setting.
- › Science Outreach – Continuing interest in promoting STEM education.
